

40th Annual

LANDSCAPE ONTARIO *Awards* of Excellence

Celebrating Excellence in
Landscape Construction, Maintenance and Design

The Awards of Excellence for Construction, Maintenance and Design fall into 41 categories. Landscape Ontario is pleased to recognize the winners.

The talents and creativity of landscape construction, maintenance and design contractors were acknowledged at the Awards of Excellence gala on January 8, 2013 at Congress. Winners portray a competitive spirit, strive for continuous achievement and improvement, offer services distinctly different from the competition and are stewards of the horticultural trades, sharing a vision for a vibrant and prosperous future.

From the winning entries, Ontarians can expect to see inspired outdoor living space designs, that build strong connections to the natural world and projects that incorporate respect, responsibility and community.
