

new PRODUCTS 2017

Whether it's equipment with increased power and efficiency, or a beautiful accent sure to catch your client's eye, the assortment of new products for 2017 highlighted over the following pages will help landscape and horticulture professionals make Canada's landscapes greener and more environmentally friendly in the years ahead.

Compact excavator

The new KX033-4 compact excavator from Kubota features a Tier IV final diesel engine without the need for DOC or DPF along with a choice of a deluxe factory cab with A/C or four-post ROPS/FOPS canopy.

Kubota

www.kubota.ca

Zero-turn mowers

Gravelly has partnered with Yamaha to launch the first-ever Yamaha V-Twin EFI engines for the outdoor power equipment industry. The Yamaha EFI engines will be available in the market first on select models in Gravelly's Pro-Turn 200 and 400 lines.

Gravelly

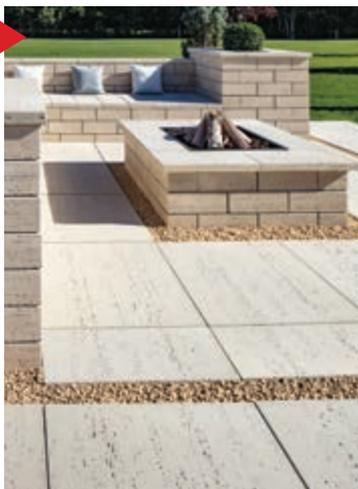

www.gravelly.com

Wall system and pool coping

Travertina Raw mimics the texture of natural travertine in a concrete material. Techo-Bloc has extended the collection to include a double-sided, structural retaining wall system, two wall caps and pool coping.

Techo-Bloc

www.techo-bloc.com

Tractor

The Steiner 450 tractor boasts an articulating frame, giving it a tight turning radius of only 43.5-in. and the Quick-Hitch System, making it easy to switch between more than 20 attachments.

NEW PRODUCTS for 2017

String trimmer ▲

The battery powered M18 Fuel string trimmer from Milwaukee reaches full throttle in under a second and provides up to an hour of run-time per charge.

Milwaukee

www.milwaukeetool.com

Stone steps ▲

Garden Steppers by Indiana Limestone Company are rugged and durable and are available in grey or full-colour blend, genuine Indiana limestone.

Indiana Limestone Company

www.indianalimestonecompany.com

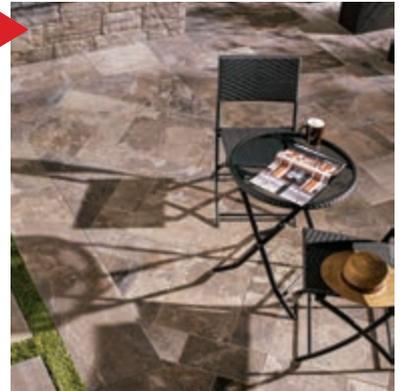

Slab paver ▲

Permacon's new Provence slab is the first product to be enhanced by Satura, Permacon's new proprietary colouring technology. Easy to install,

Provence slabs have a smooth, natural finish and offer dimensional stability due to a dry concrete manufacturing process.

Permacon

www.permacon.ca

Tape measure ▲

Empire Level has upgraded its tape measure lineup to introduce a new series of autolock and chrome tape measures that will offer upgraded performance in the key areas of durability and functionality.

Empire Level

www.empirelevel.com

Zero-turn mowers ▲

Kubota expands its zero-turn mower lineup with the addition of the Z400 Series, which bridges the gap between the company's residential Kommander series and the larger commercial Z700 series, both in terms of product features and price.

Kubota

www.kubota.ca

NEW PRODUCTS for 2017

Compact wheel loader ▲

The new John Deere 244K-II compact wheel loader is equipped with a 70 hp, Final Tier IV emission-certified engine that delivers more power over previous models.

John Deere
www.deere.ca

Hose reel

The HardCore hose reel by Valley Industries is available in manual- and electric-drive units, each made with lightweight aircraft grade aluminum. The electric-drive units utilize an ultra-heavy duty gearbox system that can be disengaged for easy unspooling.

Valley Industries
www.valleyind.com

Walk-behind brush cutter ▲

The new 28-in. hydro drive brush cutter from Toro is self-propelled, and has durable components. It can handle nearly any brush up to six feet tall and most saplings up to two inches in diameter.

Toro
www.toro.com

Wall system ▲

The new Modan wall system from Oaks Landscape Products has a smooth surface, faintly beveled edges and a palette of subtly-blended colours, making it ideal for contemporary designs.

Oaks Landscape Products
www.oakspavers.com

Waterfall kit ▶

Aquascape DIY Backyard Landscape Kits make creating pondless waterfalls and fountains easy. The self-sustaining, low-maintenance and energy efficient backyard waterfalls store water in a sub-surface reservoir and utilize a pump to send water up, and over the waterfall or stream.

Aquascape
www.aquascapeinc.com

Unleash your **CREATIVITY**

Your clients rely on you to show them what's possible.

UNLEASH YOUR IMAGINATION with Unilock pavers and walls to create brag-worthy, one-of-a-kind outdoor spaces that build your company's reputation for style and quality.

Only Unilock offers **EnduraColor™ Plus Architectural Finishes.**

Learn more about how Unilock products can help your projects stand out - Local territory managers in your area are only a phone call away.

UNILOCK.COM | 1-800-UNILOCK

The stunning driveway pictured above was created by Kozak Custom Landscapes in Burr Ridge, IL, and features a mix of Umbriano Winter Marvel and Midnight Sky. The linear shape of Artline™ produces a pixelated effect, set off by a border of Series 3000® Black Granite and softened by a curved design at the apron.

UNILOCK®
DESIGNED TO CONNECT.

NEW PRODUCTS for 2017

Telescopic tool carrier ▲

Bobcat recently launched the V519 VersaHANDLER telescopic tool carrier for applications that require a compact machine. The units feature a two-stage boom with a reach of more than 10 ft., lift height of 19 ft., and the ability to lift up to 5,500 lbs.

Bobcat

www.bobcat.com

Medium duty truck ▲

Coming to market this summer, the 2018 Isuzu FTR Class-6 medium duty truck is powered by the 4HK1-TC 5.2-litre turbocharged four-cylinder diesel engine, a first in its segment.

Isuzu

www.isuzutruck.ca

Round point shovel ▲

The Stanley Fatmax Fiberglass Round Point Shovel features patented ControlGrip technology that offers comfort in any position imaginable, as well as AntiVibe technology to reduce vibration and shock.

Stanley

www.stanleytools.com

Compact track loader ▲

ASV introduces the large-frame, radial-lift Posi-Track RT-75 compact track loader. The RT-75 features efficient hydraulics and an innovative, high capacity cooling system while delivering superior serviceability.

ASV

www.asvllc.com

Lawn care sprayer

Valley Industries recently introduced its new Master Manufacturing 200 gallon space saver sprayer for lawn care professionals. The sprayer features a plastic coated Comet APS41 triple diaphragm pump with exclusive DURApHragm Technology and an over-sized Honda GX200 engine.

Valley Industries
www.valleyind.com

Hybrid excavator ▲

The new TB216H compact excavator — the first hybrid excavator from Takeuchi — features both an electric motor and diesel engine with its own pump group to power the machine's hydraulics.

†This product contains no dust from additives.

Because Time Counts

— Techniseal® Presents —

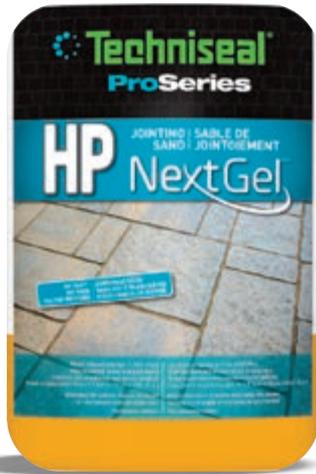

NextGel™

A NEW JOINTING TECHNOLOGY

NO DUST†

NO HAZE

NO WASTE

“We used NextGel™ at the Investors Group Field in Winnipeg on 50,000 sq. ft. I was so impressed with how little dust came out of the bags and how little residue was on top. We easily doubled our production.”

– Colin Chapnick
J&D Penner Saving Stone, Winnipeg, MB

“Very low dust, easy to apply and no haze whatsoever. I definitely recommend it.”

– John Brightenstine
The Paver Company, Rancho Cordova, CA

NextGel™ is a revolutionary technology that radically transforms the properties and behavior of jointing sand, resulting in the first ever true “no dust”, “no haze” and “no waste” sand for a fast and clean installation.

For more information, please contact your Techniseal® sales representative (1 800 465-7325).

NEW PRODUCTS for 2017

ProBarrow attachments and accessories

New for 2017, ProBarrow has added a line of attachments and accessories to make its electric wheel barrow more versatile. The additions include a large flat deck, a high volume mega-drum, exchangeable battery packs and flat-free tires.
